Re: Nomination of Clara Barton

To the Nomination Committee:

I have recently received word from friends in Boston that Clara Barton's name has been proposed for inclusion in the illustrious Hall of Fame's roster. Such news thrilled me as she has long been one of my great heroines, and I cannot think of any other woman whose life has been such an inspiration to so many of us for so many years!

Her great humanitarian efforts continue to inspire me personally, and I have a feeling that many of our young people feel as I do.

I heartily endorse her nomination and pray for her election.

Sincerely yours,

*Virginia S. Duncan*
